Summer News—July

Welcome!

I hope all families are having a fabulous summer. I've been very busy this summer organizing and planning for the upcoming season.

Dance Intensive will be held Sept 5 and 6. I will have the schedule out by mid-August.

On Sept 5 we are very fortunate to have **The Masque** come to the studio to sell shoes and dance wear. Capezio has come out with a new ballet slipper with no drawstrings (amazing for our young dancers) and Grade 5 and up ballet will now be wearing split sole canvas slippers (see attire list on website.) They also have beautiful black leos for Inter-Found and up. If you have specific requests for shoes or attire, please let me know and I will ask them

to bring it. You don't have to be attending the Dance Intensive to stop by and purchase dance supplies. Our used supply of shoes will be available as well. We will also be holding an **Open House** on this day so if you know anyone that might be interested, please pass this on.

Another exciting bit of news is that we have a dynamic, personable, inclusive and very talented choreographer to teach our PreInter 1, 2 and 3 jazz classes in September. Check the website for Miss Courtney's bio!

The audition application that I sent to Disneyland was approved and they will be contacting me 6 months before to confirm dates. I am also working on airfare and hotel costs this week. If your competitive stu-

dent's family is interested in this opportunity and you haven't previously emailed, please let me know so I can add you to the interested list.

As well, if you haven't yet indicated your requests for solos, please do let me know.

Finally, I wanted to let you know that I will be at the studio tomorrow from 2-3 pm. You can pick up your **Yearbook** and/or your daughter's **RAD results** and certificate.

My goal is to have every newsletter posted on the website so you can refer back to it at any time to any review information throughout the year. I try to keep the site very current so please check it out if you have questions. I'd also suggest liking or following our Facebook Page.

Registration Information

I hope that everyone has found the new registration system easy to navigate.

Once you add your child (ren) in the Parent Portal you will not be prompted to pay. I am notified that you have registered and I go back in and manually apply discounts for multiple clas-

ses and unlimited classes. The amount you see online is if you registered for just one class.

For those that haven't yet registered, be sure to go into the billing tab and select your method of payment and whether you are paying in full or monthly as

this allows me to process your registration without having to send more emails to you!
