Welcome New Teachers!

The studio is thrilled to welcome two additional teachers to our staff. **Miss Taylor** is teaching our PreJunior jazz class on Tuesday. She previously worked with Miss Kathy and comes very highly recommended. She is fully certified in ADAPT and brings a wealth of experience with preschoolers and youth.

Miss Sydney is also new to the studio. She is teaching our Adult Ballet/Jazz class on Tuesday at 7:00 pm.. Miss Sydney also fills in for Miss Julie when she is away adjudicating and has become a fabulous ad-

dition to our teaching staff. The adult students have really enjoyed her challenging class.

Our studio is extremely fortunate to now have 11 experienced instructors on staff.

Collectively, our staff is certified in Acrobatic Arts, ADAPT, Royal Academy of Dance Cecchetti, Vaganova, CDTA Tap, CDTA Ballet,

CDTA Modern, and IDTA Ballet.

Our teachers continuously upgrade their training and knowledge, both in the community and across the country. I am extremely grateful and very proud to have such experienced and well educated teachers at our studio. I look forward to seeing the students' progress throughout the year.

Welcome!

Competition Team News

Team Bonding Event

Our competition team had a fabulous time on September 24 at our Team Bonding event. We were fortunate to be able to go rock climbing for 2 hours and the students had a fabulous time. Thank you to the many parents that sent a snack that day as everyone was very hungry from all their hard work on the climbing course.

As a result of our extremely talented dancers and staff

from last season, the cost for the event was fully covered by money won at various competitions.

Work Is In Progress

Our competition classes have begun work on concepts and/or choreography for their routines and costumes are being decided. This is a very exciting time!

Schedules have also been set for solos/duets/trios. Please be sure to download **Team App** and search for

the studio to keep up to date on schedules. Students are also welcome to join.

Once teachers have cut their music to adhere to time limits set by each competition, families will start receiving music to encourage additional practice at home in between classes. The expectation is that students come to class prepared for new choreography. We hope parents will remind students to practice their routines before their next class.
