## Studio Updates

Students have started to settle into their classes and schedules. Thank you for sending students to class in proper attire and footwear.

Our adult classes started soon after the full year classes. We have Beginner Tap, Intermediate Tap and Adult Jazz classes running. It's not too late to register for these!

A few updates have been added to the calendar on the website.

Picture Day is **June 6** at the studio.

Recital will be at Rockpointe Church on Saturday,

**June 13.** We will have a rehearsal for all non-competitive routines in the morning and the show will be at 3:00 p.m.

### Teacher Spotlight

Danny Nielsen, one of Canada's most acclaimed and in demand tap dancers presents

his 2nd full length work On Foot, alongside a jazz trio and a cast of local tap dancers including our own Mr. Connor! The performance is on October 6 at 7:30 at Decidedly Jazz Danceworks and is completely sold out. Congratulations on this amazing accomplishment Mr. Connor!

## Competition Team News

### Contracts

There are still a handful of contracts that have not been handed in. Please ensure they are put in the studio mailbox this week.

### Team Bonding Event

Our team bonding event for our competitive dancers will be glow bowling and pizza and will be held on October 26 from 11-1 at Mountain View Bowling. You can sign up through the parent portal under events. Please RSVP by October 10.

The cost will be covered by the studio and scholarships won by our groups last season.

### Work Is In Progress

Our competition classes have begun work on concepts and/or choreography for their routines and costumes are being decided. This is a very exciting time!

Schedules have also been set for solos/duets/trios. Please be sure to download **Team App** and search for the studio to keep up to

date on schedules. Students are also welcome to join.

Once teachers have cut their music to adhere to time limits set by each competition, families will start receiving music to encourage additional practice at home in between classes. The expectation is that students come to class prepared for new choreography. We hope parents will remind students to practice their routines before their next class.
