Studio Updates

Parent Viewing

Join us the week of March 9 for class viewing. You are welcome to watch the last 15 minutes of each class your child attends. It's always great to see the difference 3 months makes in a dancer's progress and confidence. We look forward to welcoming you to our classes.

Used Shoe Sale

We are happy to be hosting a used shoe sale just in time for the inevitable pre-recital, pre-competition growth spurt!

Saturday, March 7, 2020 from 1-3pm at the studio

Items can be dropped off at the studio anytime prior to the end of the sale.

Please ensure your items are placed in a zip lock bag and clearly labelled with the following: your first and last name (for cheque payments), size of item, asking price, and your contact phone number. This will allow us to simplify the sorting and sale process and get your money to you in an efficient manner.

We will also accept other studio recommended dance items in clean, excellent condition (e.g. leotards, dance shorts, ballet sweaters, dance bags) and unworn packaged tights.

Exams

Invitations were sent last month for ballet, tap and jazz exams. Jazz exams are scheduled for June 2. Confirmation of ballet and tap exam dates will be forwarded as soon as they are received at the office.

Spring Break

Please note the dates we are closed later this month. Our students attend various schools which have different spring breaks. Next month we will be closed for Rockyview and CSSD Easter break. All closures and important events are listed on the website under the schedule tab.

Recital Costumes

Costumes have started to arrive! Please do not allow your child to wear their costume until picture day in June.

Competition Classes

Our team is gearing up for their competitions season in April and May. Dress rehearsal is scheduled for March 7 in the hall and mock competition the following Saturday, March 14, starting at noon. All families are invited to attend mock competition. Students should be staying to support the team for the full afternoon. Routines performed at the end of the day deserve the same attention as those at the beginning of the day.

An adjudicator will be assessing our routines and will be providing valuable feedback to students and teachers.

If your child is not on our competition team but is interested in seeing what it's about, please stop by on Saturday, March 14. Our event is in the hall. The dancers on our competition team range from age 7 to 16.
